## Local Networking Dinner in Milan

23 SEPTEMBER 2021

19:00-21:00 CEST

WIL Members, Talents, Alumni and their guests met for a networking dinner in the beautiful city of Milan. This gathering, held in partnership with Aument Coin and hosted by WIL Board Members, Emanuela Palazzani and Enrica Acuto Jacobacci, was the first in-person WIL event in nearly two years and a welcome opportunity for our female leaders to connect and exchange with each other.

A virtual welcome from Paris was given by WIL President, Thaima Samman, followed by introductory words by Antoanela Chiritescu, COO of Aument Coin, our event partner, and by our hosts. This was followed by an evening of networking at Milan's delightful Terrazza Gallia rooftop restaurant.
